News of members. Peter has a renovation project on the go but has yet to get it to start again. Jim nothing. Harry Buckle is riding a bike that is too small for him, Honda TRL, preferring Bob Hill's Ariel. Dave came first the at SWCTA Smeatharpe Trial after tying with Bob Hill on his Ariel but had most cleans, along with his other recent good results ended up second 2nd in the Championship to Tony Henbest. Paul had no news. Giles was 2nd in class at the national ploughing championship & won a very wet 12 car rally in his Escort. Mike no news. Stuart has been to Bath trial at Binegar. Brian has perpetuated this years theme by falling off the Bantam, at the Bonanza Club fun trial, & injuring his calf muscle.

Any other business. Stuart's question about paying for membership to the club has been answered with it not being required in the future. Peter had a problem with the Printers producing our Christmas cards this season, with photo printing quality and the fact that they had stopped trading when found at the back of the property the sign for its sale or rental on view. Banana Print came up trumps with the printing finished and delivered in record time and cheaper to boot!
