News of members. Roger spent a fortune on guttering that was inefficient for even light rain. Mike is not riding at present due to health issues. Dave is also resting at the moment. Matt rode West of England and Exmoor, a bit wet! Giles entered a twelve car rally and was equal 1<sup>st</sup> out of ten finishers, nothing on his bike. Pete got told off for doing the felt on his shed at his age, 32? Brian has done nothing as Carswell & Widworthy scrambles were cancelled and then later his car was hors de combat.

Any other business. The AMCA insurance for the 2 day section 33 will not be available till the 22<sup>nd</sup> April. Apologies from the Ayres as they will still be in France for the next club meeting in May, Dave Fisher to take the chair.
